

Dear Parents/Carers,

We hope you all had a lovely Easter.

So, our final term begins for most of the Busy bee children.

School Readiness

You will be receiving your 'School readiness information pack' this week. Please take the time to read through and complete and return ASAP. As per yesterday's email, please confirm with us which school your child will be attending so that we may make contact. Your child's keyworker will share information with the teacher over the term.

Springtime Garden

Over the Easter holidays we spent time on the garden, introducing 'Sandy' the 11ft boat!!!! The children are loving 'sailing' away on their adventures. We have planted wildflowers, sunflowers, and herbs for the children to watch and water. We are still in need of logs if anyone can help? Water is a main feature in our garden play so please ensure your child has plenty of spares in their bag.

Hopefully now that the weather is beginning to change can we remind of appropriate clothing and equipment.

Everyday please bring:

- Sunhat
- Named water bottle (refillable – please NO fruit shoot or carton type drinks)
- Appropriate fitting footwear (closed toes, no crocs or flipflops)
- Please include ice packs in your child's lunch box.

The Lending Library

The lending library remains open, all books have been recently re-stocked. Please do borrow a book to share with your child at home.

Lunch time collections

Please can we ask that any lunchtimes collections are prompt so that staff are not going backwards and forwards with children whilst they wait to be collected. Please ring the bell on the gate so staff know you are waiting. Thank you in advance.

Committee

As always our committee work hard behind the scenes but are always looking for new members. If you would be interested, you would be very welcome. Please just let us know.

We look forward to the summer term ahead, spending lots of time outside and enjoying our last term with our Busybees.

Kindest regards

The Preschool Team
